

# The contribution of research for inspection in Luxembourg

SICI – General assembly

Dunboyne, 16th November 2022

LE GOUVERNEMENT  
DU GRAND-DUCHÉ DE LUXEMBOURG  
Ministère de l'Éducation nationale,  
de l'Enfance et de la Jeunesse

Direction de l'enseignement fondamental -  
Région 10

# Brief historical overview

- 1823 – first school Inspection in Luxembourg
- July, 2017 – abolition of the *Corps of Inspectors*
- September, 2017 – creation of the *Basic Education Directorates*

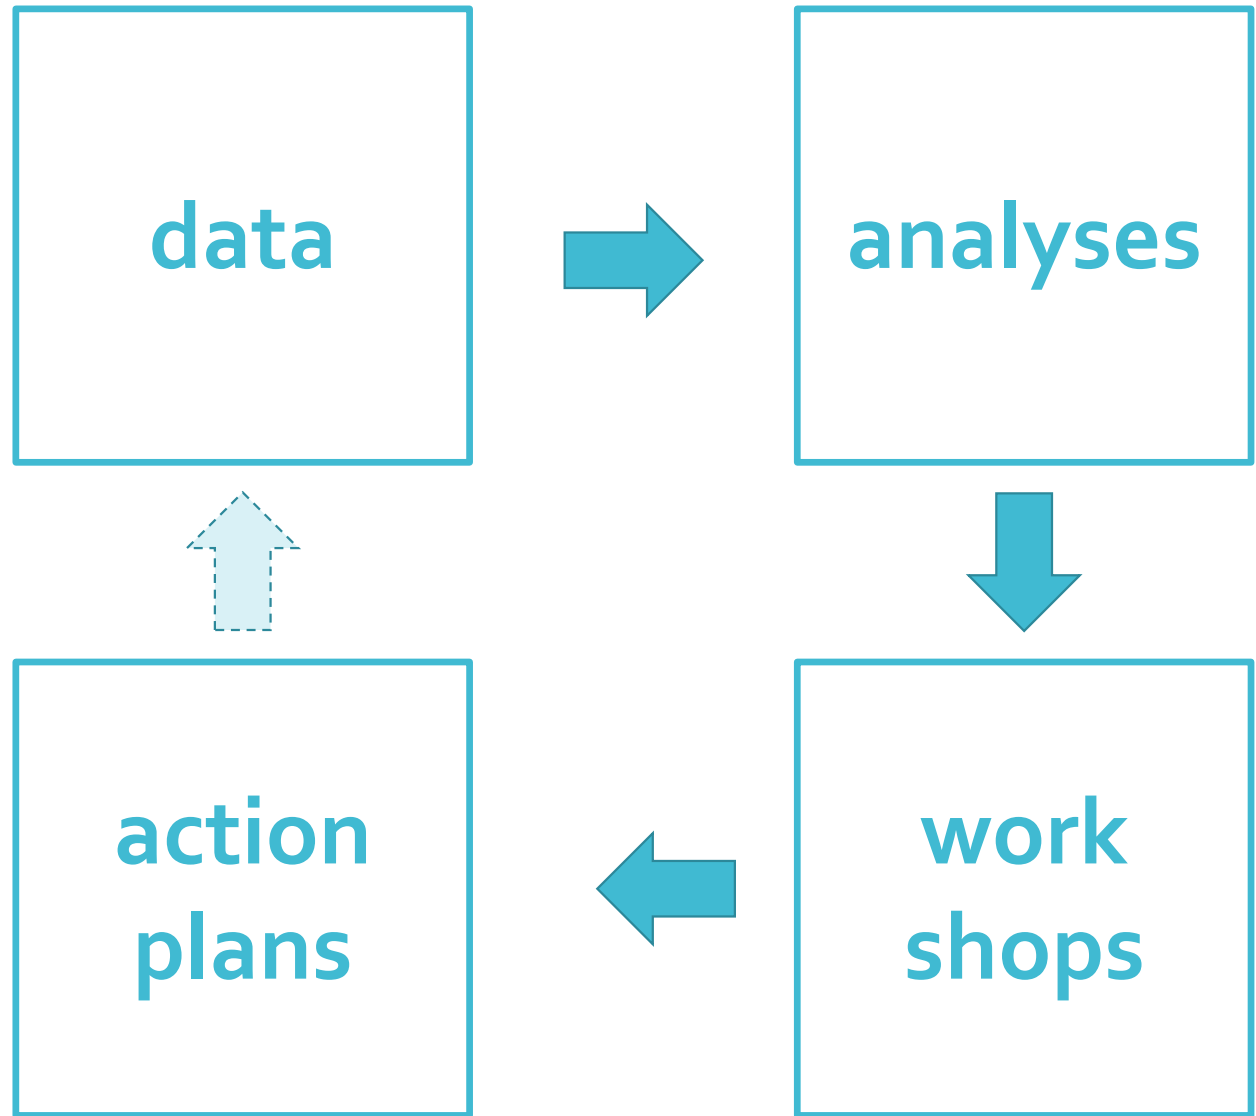

# Missions of the Directorate

- **administrative management and pedagogical supervision of schools (learning and teaching)**
- consultation and support for professionals
- professional integration of young teachers and educators
- management of relationships between teaching staff within schools and relationships in the school-student and school-parent domains

# What to do?

- Evolve without evaluating
- Paradigm shift

Workflow

# Research at the service of the Directorates

- Standardized test and school reports (learning quality, pupils)
- Data from University of Luxembourg (teaching, school community)
- Reports from the National Observatory of School quality (school community and stakeholders)

## Main obstacles observed – challenges to overcome

- absence of an organizational culture in schools
- lack of training in feedback literacy
- initial and further training

thank you
